Busy Campers, Bright Futures

Our campers have been busy creating memories, forging friendships, and discovering passions that will last a lifetime. This summer, we are proud to have 1067 campers joining us for fun-filled days of learning and adventure.

One of the highlights of the summer camp season has been our focus on combating the "summer slide" by providing engaging academic support in math and reading. Through interactive learning experiences, they are staying sharp and ready to excel when they return to school in August.

To complement their academic endeavors, our kids have enjoyed exciting field trips to some of Georgia's beloved destinations. From exploring the wonders of the Atlanta Zoo to marveling at the marine life in the Georgia Aquarium and embarking on a wildlife safari, our campers have had the opportunity to learn and grow outside the traditional class setting.

As our COO, Dr. Anastasia Legakes, aptly put it, "the best part of summer camp is witnessing the smiles on the faces of our kids as they form new friendships and create

lasting memories."

We are thrilled to share wonderful news from our tutoring programs in Hall and Habersham counties, made possible by grant funding from the North Georgia Community Foundation (NGCF). Thanks to their support, students in our community not only received critical academic assistance but also finished the school year on a high note.

Throughout the year, NGCF's grant has enabled us to provide personalized tutoring sessions that cater to each student's needs, helping them overcome challenges and excel in their studies. Whether it's mastering math concepts, improving reading comprehension, or preparing for exams, these programs have made a significant difference in the lives of our young learners.

As we reflect on the achievements of our students, we extend our heartfelt gratitude to NGCF for their support and investment in empowering the next generation. Together, we are building a brighter future through education and support.
