2024 | YOUTH OF THE YEAR GALA

ELEVATING THE FUTURE

A MESSAGE from **STEVE MICKENS**

**CEO OF THE BOYS & GIRLS CLUBS
OF LANIER**

We are thrilled to invite you to our new Youth of the Year Gala, an event dedicated to celebrating our youth and the transformative impact of our programs.

As our organization evolves, so does our approach to celebrating it. For years, we put a spotlight on celebrity guests at the **BE GREAT GALA**. This year, we are dedicating our biggest night to **ELEVATING** the youth themselves.

The YOY Gala is not just a celebration-it is a pivotal event where our high school members showcase their growth, resilience, and leadership. Through mentorship and coaching, these exceptional youth compete at club, regional, state, and national levels, transforming their life experiences into platforms for future success.

Our youth have the potential to change the world. Let's help change theirs by coming together to support their dreams and aspirations.

Please join us on October 17, 2024 at the Boot Barn at Bourbon Brothers Hall for our Youth of the Year Gala. This is an amazing opportunity to gather in support of our youth and support the Boys & Girls Clubs of Lanier.

I hope to see you there!

Meet our Youth of the Year Contestant Jaemy

What does participating in the YOY program mean to you?

“Participating in the Youth of the Year program means so much more than just winning an award. It’s about sharing my journey and inspiring others with my story.

I want to show my peers that no matter where we start, we have the power to create our own paths. Being a role model and demonstrating that I’ve faced challenges and still succeeded is my way of encouraging others to believe in themselves and go after their dreams.”

Why should the community support the Youth of the Year program and the upcoming Gala?

“The community should definitely support the Youth of the Year program because it changes lives. For many kids, this program is a stepping stone towards their dreams and ambitions. It gives us a chance to be recognized for our hard work and potential. When the community stands behind us, it shows that they believe in our futures. Supporting this program means investing into the next generation, helping us feel empowered, and ensuring we have the resources we need to thrive.”
